"I've never seen more information about Wonder Woman than in *Wonder Woman Unbound*. Tim Hanley tells us everything we've never asked about Wonder Woman, . . . from her mythic Golden Age origins through her dismal Silver Age years as a lovesick romance comic character, and worse yet, when she lost her costume and powers in the late 1960s. Our favorite Amazon's saga becomes upbeat again with the 1970s advent of Gloria Steinem and *Ms. magazine*, and Lynda Carter's unforgettable portrayal of her on television. And it's all told with a dollop of humor!" —Trina Robbins, author of *Pretty in Ink* With her golden lasso and her bullet-deflecting bracelets, Wonder Woman is a beloved icon of female strength in a world of male superheroes. But this close look at her history portrays a complicated heroine who is more than just a female Superman. Tim Hanley explores Wonder Woman's lost history, delving into her comic book and its spin-offs as well as the motivations of her creators, to showcase the peculiar journey of a twentieth-century icon—from the 1940s, when her comics advocated female superiority but were also colored by bondage imagery and hidden lesbian leanings, to her resurgence as a feminist symbol in the 1970s and beyond. Tim Hanley is a comic book historian. His blog, *Straitened Circumstances*, discusses Wonder Woman and women in comics, and his column "Gendercrunching" runs monthly on *Bleeding Cool*. He lives in Halifax, Nova Scotia.

Summer is terribly upset her favorite show got cancelled... so upset that Rick is tired of hearing about it, and loads up the old interdimensional Cable Box. YEAH! INTERDIMENSIONAL CABLE, BAY-BEEEE!!! But uhhhhh, my dudes, things don't go the way they were expected to.

Every week Erika Moen draws a cornucopia (pornucopia?) of fun, naughty pairings for the critically-acclaimed sex education comic *OH JOY SEX TOY*. Whether you want to color for relaxation, saucy enjoyment, or to make a unique work of art for a special someone, this book is sure to please.

"Small Favors tells the story of Annie and her sprite-like girlfriend Nibbil filling their happy days with happy sex."--Artist website, viewed 1/29/12.

The delightful story of Nora who, after a succession of terrible boyfriends, finds a much happier relationship with a 500-pound American black bear. Bear meets girl. Nora has bad luck with men. When she meets an (actual) bear on a hike in the Los Angeles hills, he turns out to be the best romantic partner she's ever had! He's considerate, he's sweet, he takes care of her. But he's a bear, and winning over her friends and family is difficult. Not to mention he has to hibernate all winter. Can true love conquer all? The world's greatest thief is a costumed teen burglar by the nome d'arte of Bandette, and she's been challenged for the title! The Great Thieving Race is on, as Bandette and rival Monsieur compete to steal priceless artifacts from a criminal organization and its evil leader, but their response could make this Bandette's final crime spree!

*Weitere Angaben Inhalt: Die Kult-Comic-Zeichnerin zeichnet die Absurditäten des Sex, die Schüchternheiten und Träume ihrer Heldinnen in klaren "niedlichen" Linien. Es ist einfach toll, laut loszulachen! Natürlich haben die Heldinnen Konflikte, doch sie werden lustig dargestellt. Sex macht viel zu viel Spaß, als dass frau sich dabei schlecht fühlen sollte! Eine Auswahl ihrer bekanntesten Erotc-Comics auf Deutsch, außerdem eigens für uns gezeichnete Kapitel...

Earth Day celebrates our beautiful planet and calls us to act on its behalf. Some people spend the day planting flowers or trees. Others organize neighborhood clean-ups, go on nature walks, or make recycled crafts. Readers will discover how a shared holiday can have multiple traditions and be celebrated in all sorts of ways.

"Contains material originally published in magazine form as *Eternals* #1-7"--p. [2] of cover.

Told in vivid graphic novel form by a groundbreaking Eisner-nominated comics creator, the long-overdue biography of the legend who co-created Captain America, Iron Man, Black Panther, the Fantastic Four, the X-Men, and many more superhero favorites. "A fast-paced celebration of an underheralded legend within the comic-book industry."—Kirkus Reviews *NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LIBRARY JOURNAL* This sweeping, full-color comic book biography tells the complete life story of Jack Kirby, co-creator of some of the most enduring superheroes and villains of the twentieth century for Marvel Comics, DC Comics, and more. Critically acclaimed graphic novelist Tom Scioli breathes visual life into Kirby's life story—from his days growing up in New York during the Great Depression and discovering a love for science fiction and cartoons to his time on the frontlines in the European theatre of World War II where he experienced the type of action and adventure he'd later imbue his comic pages with, and on to his world-changing collaborations at Marvel with Stan Lee, where the pair redefined comics as a part of pop culture. Just as every great superhero needs a villain to overcome, Kirby's story also includes his struggles to receive the recognition and compensation that he believed his work deserved. Scioli captures his moves from Marvel to DC and back again, showing how Kirby himself and later his family fought to preserve his artistic legacy. Drawn from an unparalleled imagination and a life as exciting as his comic book tales, Kirby's super-creations have influenced subsequent generations of creatives in the comics field and beyond. Now, readers can experience the life and times of a comics titan through the medium that made him famous.

Uh oh, someone's messed up reality again pretty badly....The Smith family loves each other, Jerry has a job, Summer is nice to Morty...No one is cursing, or suffering from existential melancholy or threat of death. I mean, everything is sort of safe and great, like a 50s sitcom. And what is going on with Rick?! Can Morty fix this all before...well, I guess, before everything works out nicely for everyone for once?

"The world's greatest thief is a costumed teen burglar by the nome d'arte of Bandette! Gleefully plying her skills on either side of the law alongside her network of street urchins, Bandette is a thorn in the sides of both Police Inspector Belgique and the criminal underworld. But it's not all breaking hearts and purloining masterpieces when a rival thief makes a startling discovery. Can even Bandette laugh off a plot against her life?"--Page [4] of cover, volume 1.

All your favorite Peanuts characters can't wait to join the fun as the carnival rolls into town! But it's not all fun and games - September doesn't just bring the fair, but the start of the new year of school, too, and Peppermint Patty just can't hide her, well, lack of excitement. Throw in Linus and his beloved blanket, a crop of Charles Schulz Sunday strips, and a 1st appearance Pig Pen variant cover, and you've got another classic issue of PEANUTS!

Kirby Steinberg has trouble fitting into her new high school, which is not so surprising considering she is the guardian of three intelligent, talking monkeys who are attending the school as well, and have a secret of their own.

Rapunzel escapes her tower-prison all on her own, only to discover a world beyond what she'd ever known before. Determined to rescue her real mother and to seek revenge on her kidnapper would-be mother, Rapunzel and her very long braids team up with Jack (of Beanstalk fame) and together they perform daring deeds and rescues all over the western landscape, eventually winning the justice they so well deserve.

Subtitled "A History of Science (A Chronicle of Folly, Wisdom, and Madness)," *PORT TWILIGHT* has been described as "an end-times extraterrestrial vaudeville." "Len Jenkin's dark, whirling comedy, *PORT TWILIGHT*, follows several storylines as they trail throughout the fantasy city of the title. All of the stories involve what might be called decoding messages and 'alien contact.' ... thanks to Len Jenkin's language, *PORT TWILIGHT* makes for a haunting, mind-altering experience." -Jerome Weeks, *Art & Seek* ..". *PORT TWILIGHT* is a distinctly playful and yet somber, introspective piece about the foibles and heartbreak of humanity, and its quest for solutions ... It is one of the most original shows I have ever seen. It combines insouciance, weariness, zeal, cynicism, comic relief, melancholy, the indecipherable into a poetically wistful and radiant experience." -Christopher Soden, *Pegasus News* "Len Jenkin's zippy, atmospheric dialogue. There's a beautiful lyrical quality to it." -Jonathan Pacheco, *Slant Magazine*

In this novel in Jim Butcher's #1 New York Times bestselling series, an old debt puts Chicago wizard Harry Dresden in harms way... Harry's life finally seems to be calming down. The White Council's war with the vampiric Red Court is easing up, no one's tried to kill him lately, and his eager apprentice is starting to learn real magic. For once, the future looks fairly bright. But the past casts one hell of a long shadow. Mab, monarch of the Sidhe Winter Court, calls in an old favor from Harry. Just one small favor he can't refuse...one that will trap Harry Dresden between a nightmarish foe and an equally deadly ally, and one that will strain his skills—and loyalties—to their very limits. And everything was going so well for once...

Annah Billips and multiple narrators familiar with her take a shot at describing the enigmatic twenty-seven year old, and speculate on whether she really has a missing sister named Ginger, as she believes, or is completely insane.

Collects issues #6 to #10.

Unreal City contains five highly charged stories about relationships: "Echoes into Eternity," "Evelyn Dalton-Hoyt," "Emordana," "The Yellowknife Retrospective," and "Objet d'Art." The stories address gender, narcissism, marriage, subjectivity, objectification, and the thin line that divides love from hate. Bryant's characters sometimes feel like they are navigating their way through the darkness in an attempt to make sense of love, sex, art, and life. Existential and elliptical, the stories play beautifully against Bryant's precise and fully-realized artwork, which echoes such masters as Jaime Hernandez and Daniel Clowes. In *Unreal City*, characters cannot walk into a room without their world turning inside out. Readers will be similarly upended by the discovery of this major new talent.

Finn is suffering from Quest Deficiency and needs his pals to help him turn up a righteous quest that will fulfill all his adventuring needs. The back of a questing board might seem like the easiest answer but our hero is about to find out that the easy way out can create a ton of trouble...

THE INSTANT NEW YORK TIMES BESTSELLER • From the critically-acclaimed author of *House of Salt and Sorrows* comes a mesmerizing and chilling fairy-talesque novel about Ellerie Downing, a young woman in a small town with monsters lurking in the trees and dark desires hidden in the shadows—in Amity Falls, nothing is more dangerous than a wish come true. "Unique, enchanting, and haunting."—Brigid Kemmerer, *New York Times* bestselling author of the *Cursebreaker* series "Full of beasts, bargains, and blood, *Small Favors* is a folk horror tale that feels like a classic but is utterly fresh. Sweet, dark, and complex as wildflower honey."—Hannah Whitten, *New York Times* bestselling author of *For the Wolf* "A deliciously dark fairy tale filled with bone-chilling horror and breathtaking romance that will keep you turning the pages long into the night."—Kara Thomas, author of *The Cheerleaders* and *That Weekend* "As dark and romantic as it haunting, *Small Favors* is an eerie fairytale that I couldn't put down."—Alexis Henderson, author of *The Year of the Witching* Ellerie Downing is waiting for something to happen. Life in isolated Amity Falls, surrounded by an impenetrable forest, has a predictable sameness. Her days are filled with tending to her family's beehives, chasing after her sisters, and dreaming of bigger things while her twin, Samuel, is free to roam as he wishes. Early town settlers fought off monstrous creatures in the woods, and whispers that the creatures still exist keep the Downings and their neighbors from venturing too far. When some townsfolk go missing on a trip to fetch supplies, a heavy unease settles over the Falls. Strange activities begin to plague the town, and as the seasons change, it's clear that something is terribly wrong. The creatures are real, and they're offering to fulfill the residents' deepest desires, however grand, for just a small favor. These seemingly trifling demands, however, hide sinister intentions. Soon Ellerie finds herself in a race against time to stop Amity Falls, her family, and the boy she loves from going up in flames.
