"Kiss a stranger." Those three words started off a series of events I could have never predicted. Fresh off graduation, I have my entire summer planned out: European vacation with my cousins, college courses, and picking up shifts at work. But then my mom calls and drops the bomb: she's getting married to the rumored head of the Irish mafia. Even though I've been looking out for her for

most of my life, we haven't lived together in ten years. So when she invites me to stay with her for the summer, I don't hesitate. And I make a new summer plan: skip the vacation, take online courses, and dig up dirt on Mom's new fiancé. What I didn't plan for was Wolf Fitzgerald--and his brothers. Dangerously good-looking with tattoos and bad attitudes. And my new stepbrothers.

The long, adventuring nights keep getting longer as Misty and Roland search out rumors of shadows and laughter. Added to her woes is a head cold of supernatural proportions larger than a trucker's appetite. She shambles through her work and Roland's play, a member of the undead in nose and crusty eyes. Their adventuring finds nothing but dust and a child's laughter, but when she begins to experience vivid dreams of tooth-decaying fantasy parks and zombie apocalypses Misty wonders if something isn't wrong. Roland comes to the rescue with only one choice to help her, but she's not so sure she wants to trade in her humanity for a souped-up existence with strings attached. **KEYWORDS:** new adult, mystery, paranormal, supernatural, fantasy, folklore, folktale, folk tale, legend, legends, myth, myths, action adventure, action, adventure, second chances, comedy, humor, horror, free, freebie, free book, free books, book, books, free ebook, ebook, free novel, rich, quick read, read, short, serial, series, college, funny, female protagonist, novel, secret, suspense, thriller, alpha male, literature, story, stories, hero, fiction, box, box set, boxed, boxed set, romance, free romance, free romance ebook, free romance ebooks, free romance book, free romance books, billionaire, wealthy, millionaire, women's fiction, racy, legal, free romance novel, free romance books, billionaire romance,

His daughter thinks he's crazy and his house has all the makings of an aspiring junkyard. Charlie's paranoia digs six-feet deeper when an unexpected delivery is dropped in his lap. He begs Misty to help him, but she has her own problems to juggle as Owen Alston walks back into her life. He offers her a second chance at a date, but life and undeath threaten to get in the way of her free meal. New friendships are forged and new snarks are made as she navigates

A billionaire vampire. An ordinary girl. The Final Three Books of the Vampire Serial In a world where vampires are born, not made... He saved her life. He demands her soul. Blood-bonded to the billionaire vampire Dorian Thorne, Cora Shaw enters a world of unimagined sensuality—and unimagined danger. With the hold he has over her, he can exert absolute control over her body and mind, even to the point of erasing her completely. And Dorian has already shown a willingness to use his power to force her to do his will. Cora is determined to find a way out of her bond, no matter what the price. But even as she

seeks an escape, she wonders if she can really let him go.... Cora's Choice Billionaire Vampire Series is a new adult vampire paranormal romance / urban fantasy that features a billionaire alpha vampire hero, a college student heroine, a love triangle, and a dangerous bargain. Intended for a more mature audience than Stephenie Meyer's Twilight Saga, Choice Billionaire Vampire Series takes the "every girl" heroine in a direction more reminiscent of Anne Rice's Vampire Chronicles or Sherrilyn Kenyon's Dark-Hunter Series.

I trusted my heart to a vampire. Now I want revenge . . . The vampires are at war, and I'm caught in the middle. I thought nothing could surpass my desire for Nic's dark, dangerous charms, but with my father dead from the fangs of our enemy, everything has changed. I'm consumed with the need to seek vengeance. Suddenly, I realize what I must do. I ask Nic to change me. He forbids it. He tells me the change must be made for the right reason. For love. And avenging my father isn't the right reason. But with our enemy closing in fast, I'm angry enough to defy Nic and fight this war my way, no matter what the consequences.

That mouth of hers had better uses, and he was just the man to teach her. It started as one of the worst nights in 27-year-old Stavros Manolis' life. A powerful and lethally good-looking Greek billionaire, he could have had any woman – but the one he wanted, he had lost, and so here he was now, attending her farewell party, forced to bear the sight of her in her husband's arms. But that was just the start. When Willow Somerset, a curvy 24-year-old junior editor, joined his table, taunting and embarrassing him with her mocking laughter and sly words, he burned with a mixture of offended

pride, anger...and desire. She was everything he disliked in a woman, but his body felt differently. Someone clearly needed to teach her some manners, needed to let her know there were better uses for her mouth than letting it run away from her. Luckily for Willow, that person was him.

Skye: It was time to be alone: after walking in on my fiance cheating on me with a stranger I just wanted some space to get my head together. Unfortunately, for me, I managed to anger a particularly malicious vampire who would stop at nothing to annihilate me - after all she had her own plans for Gus.
